The CCL VISTA Consortium (Charlotte-Collier-Lee), with support from the Corporation for National and Community Service, is creating an online database of Afterschool Care centers for the Lee County area. The guide will be a one stop resource for Lee county families seeking After School Care for children in grades K– 5.

Please assist us in completing the database with the enclosed survey. Enclosed you will find a self addressed envelope to return the survey. You can also fax the survey to 239-590-7660 attention Priscilla or if you would prefer to email the survey contact me at pmelend@fgcu.edu for the online version.

The CCLS Consortium is made up of ten Southwest Florida nonprofit agencies that serve our community in a number of different capacities including providing food through soup kitchens, offering health education services, mentoring, tutoring and more. If you have any questions or would like more information feel free to contact me at 239-590-7026 or via email at pmelende@fgcu.edu.

Thank you for taking the time to complete and return the survey.
